WHAT THE HELL IS A DISCORD?

We know it looks a bit scary – especially if you were born before the 1990s. Discord might look a bit scary at first but it's actually quite simple once you get the hang of it. Each channel (all the things with hashtags in the left column) are topics where messages go. The main place to chat is #community-garden-chatroom and then the other channels are for other specific topics.

WHAT THE HELL IS A DISCORD?

For every feature I do, (open arms, holding out for a hero, Maso's) there's a channel! This is an example of people posting Dad Gags in the #dad-gags channel

WE HAVE A WIKIPEDIA!?

Yes that's right a whole wikipedia, not just a Wikipedia page

Our amazing Gardeners have built a wikipedia page detailing what was played on each show. Its an amazing resource and you can feel free to add to it:

<https://cgrwiki.net>

DON'T LIKE THE LOOK OF DISCORD?
